

Friday 25 May

See Session details by clicking on the corresponding link (top/left corner)

Room	Stockholm	Hall 3	Hall 4/5	Hall 6	Hall 7	Hall 8	Hall 9	Hall 10	Sydney	Madrid	Istanbul	Oslo	Sauerbruch	Hongkong	Koch	Room		
Hour																Hour		
08:00																08:00		
08:15	Ankle fractures	Instability following total hip arthroplasty	Trauma lower limb II	Basic research in shoulder diseases	Hip: Miscellaneous	Periprosthetic fractures around the hip and knee	The foot at risk	Anterior cruciate ligament reconstruction	Hip: Femoral head necrosis and bone remodelling	Cervical spine and treatment algorithms AOSpine	Polyethylen wear in total hip replacement	3rd world orthopaedics	Trauma & Miscellaneous I	Treatment of osteonecrosis of the knee			08:15	
08:30																08:30		
08:45																08:45		
09:00	BREAK	BREAK	BREAK	BREAK	BREAK		BREAK		BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	Speaker coaching workshop		09:00
09:15																09:15		
09:30	Femoral neck fractures II	Cemented total hip arthroplasty – a proven but forgotten concept?	Imaging and navigation in fracture treatment	The posttraumatic infection	Statistical analysis in orthopaedic clinical studies		Sport injuries around the ankle joint - evidence based management EFAS - European Foot and Ankle Society		Fragility fractures around the knee	Minimal invasive pain treatment	Spondylolysis and spondylolisthesis EuroSpine - The Spine Society of Europe	Large diameter heads: Risk/benefit?	Total shoulder arthroplasty	Pain in knee osteoarthritis: Treatment before, during and after joint replacement	Knee arthroplasty in special cases			09:30
09:45																09:45		
10:00																10:00		
10:15																10:15		
10:30																10:30		
10:45	Live Car Crash in the ICC courtyard (near radio tower)!															10:45		
11:00																11:00		
11:15																11:15		
11:30	Intertrochanteric fractures II	Total hip arthroplasty	Patellar fracture and dislocation	Hip replacement: Cemented vs. non-cemented stems in pediatric patients	Hip replacement: Bleeding and prevention	Ankle: Prosthesis /Arthrodesis		Osteoporosis, fragility fractures and secondary prevention	Miscellaneous	Minimally invasive approach to degenerative disc disease	Clinical data related to hip tribology	Sarcoma IV	Trauma & Miscellaneous II	Rehabilitation after knee surgery			11:30	
11:45																11:45		
12:00																12:00		
12:15																12:15		
12:30	Michael Freeman															12:30		
12:45																12:45		
13:00																13:00		
13:15																13:15		
13:30																13:30		
13:45																13:45		
14:00																14:00		
14:15																14:15		
14:30	Radial Head Fractures: Fix, replace or remove?	ACL reconstruction in football players ESSKA - European Society of Sports Traumatology, Knee Surgery and Arthroscopy	TOCS: Trauma and orthopaedics in conflict and post-conflict settings	When to do what in multiple fractures patients	Hip replacement: Navigation and imaging	Total knee replacement: Technique and navigation I	Foot and ankle infections EBJIS - European Bone & Joint Infection Society	Osteoporotic proximal humerus fractures: How we solve it	Preservation techniques for adolescent hip problems EPOS - European Paediatric Orthopaedic Society	Surgical dilemmas of the rheumatoid ankle and foot ERASS - European Rheumatism Arthritis Surgical Society, EFAS - European Foot & Ankle Society	Polyethylen / Ceramic	Online databases and literature search techniques for orthopaedic surgeons?. Target population: Every	Complications / Infection	Sport related compressions at the upper limb EFOST - European Federation of National Associations of			14:30	
14:45																14:45		
15:00																15:00		
15:15																15:15		
15:30																15:30		
15:45	BREAK	Knee replacement and sport ESSKA - European Society of Sports Traumatology, Knee Surgery and Arthroscopy	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK		15:45	
16:00																16:00		
16:15	Traumatic major limb amputations	First dislocation in athletes ESSKA - European Society of Sports Traumatology, Knee Surgery and Arthroscopy	Trauma	Risk factors for osteoarthritis	Hip dysplasia - impingement	Total knee replacement: Technique and navigation II	Flatfoot: From childhood to the adult	An update on training of orthopaedic residents in Europe and information about fellowships FORTE - Federation of			Metal-on-Metal bearings			Sport related compressions at the lower limb EFOST - European Federation of National Associations of Orthopaedic Sports			16:15	
16:30																16:30		
16:45																16:45		
17:00																17:00		
17:15																17:15		
17:30																17:30		
17:45																17:45		
18:00																18:00		
18:15																18:15		
18:30																18:30		
18:45																18:45		

GENERAL OTHOPEAEDICS
 UPPER LIMB
 LOWER LIMB
 SPINE
 TRAUMA/ POLYTRAUMA
 PAEDIATRICS
