Rules to nominate hosting centres for the EFORT FOUNDATION visiting fellowships

With these rules EFORT FOUNDATION would like to ensure to select the best hosting centres in Europe. The hosting centres should meet the following criteria:

- The prerequisite is that the centre is able and willing to host fellows.
- The National Societies will be asked to make a recommendation to the EFORT FOUNDATION if the centre should be accepted or not.
- The centre should be well recognised within their country for good clinical work.
- It is an advantage with a reputation of good teaching.
- It is an advantage if they can provide cheap meals and cheap lodging.

Nomination process

Interested centres can fill out the nomination form, which can be found next to this document, and send it to the EFORT FOUNDATION Office (foundation@efort.org). The National Society in this country will then be asked if the centre should be accepted or not. If yes, the centre will be added to the host centres list on the website where fellows can choose from.
