Time													Time	
08:00													Comprehensive Review Course	08:00
08:15														08:15
08:30	Metal-Ceramic-Polyethylene: A search for the favourite Tribology Free Paper Session	Hip arthroscopic surgery in 2013 Hip Speciality Session EHS	Osteoarthritis of the thumb. Is resection arthroplasty the only treatment? Hand and wrist Symposium	Fracture femur / knee Trauma lower limb Free Paper Session	Early complications in THA Hip Symposium	Foot & ankle injuries in the athlete: Where do we stand today? Foot/ankle/leg Speciality Session EFAS	Invited Guest Federation: SLAOT - Primary complex hip arthroplasty Hip Symposium	Bone and implant headings General Orthopaedics / complications / basic science / technology Free Paper Session	Experimental: Infection and bone General Orthopaedics / complications / basic science / technology Free Paper Session	Meniscus and cartilage Sports / Knee soft-tissue Free Paper Session	Pseudarthrosis - bone defects Polytrauma/Pelvis Interactive Expert Exchange	Registration required	08:30	
08:45													08:45	
09:00													09:00	
09:15													09:15	
09:30													09:30	
09:45	Break - Visit of the industry exhibition												09:45	
10:00	Break - Visit of the industry exhibition												10:00	
10:15	Break - Visit of the industry exhibition												10:15	
10:30	Tribology of total knee arthroplasty: Basics and current trends Tribology Symposium	FAI - Hip arthroscopy Hip Free Paper Session	Scaphoid Hand and wrist Free Paper Session	Complex elbow injuries Trauma upper limb Symposium	THA complications Hip Free Paper Session	Ankle arthritis: Prevention and management Foot/ankle/leg Speciality Session EFAS	Rapid recovery patients programmes. Lessons from the past and new areas General Orthopaedics / complications / basic science / technology Symposium	Statistical analysis in orthopaedic clinical studies General education Symposium	Orthopaedic Publishing in 2013 General education Symposium	Multiple ligaments knee injury Sports / Knee soft-tissue Symposium	Registration required	10:30		
10:45												10:45		
11:00												11:00		
11:15												11:15		
11:30												11:30		
11:45	Erwin Moscher Honorary Lecture - Paris Auditorium												11:45	
12:00	Erwin Moscher Honorary Lecture - Paris Auditorium												12:00	
12:15	Erwin Moscher Honorary Lecture - Paris Auditorium												12:15	
12:30	The hype of Ceramic - Will it continue? Tribology Free Paper Session	Revision Hip - Infection & complication Hip Industry Symposium Zimmer GmbH	Simplifying your hip revision practice Hip Industry Symposium Smith & Nephew	Biologics in open fractures Polytrauma/Pelvis Instructional Lecture	Optimis® short stem - First clinical results Hip Industry Symposium Mathys	Experience that counts... Insights from the use of rivaroxaban in routine clinical practice General Orthopaedics Industry Symposium Bayer Healthcare	Practical guidance and real-world experience with novel oral anticoagulants: Optimizing use in orthopaedic practice General Orthopaedics Industry Symposium Boehringer Ingelheim	Dual mobility: A 35 years French experience Hip Industry Symposium Groupe Lepine	Patient's needs & Health Economics. Do short stem philosophies have a positive impact? Hip Industry Symposium Limacorporate	Knee Session - Innovative solutions with multiple options for success: Proven technologies meets future patient solutions Knee osseous Industry Symposium Biomet	Advanced concepts and treatment strategies for femoroacetabular impingement Hip Interactive Expert Exchange	12:30		
12:45												12:45		
13:00												13:00		
13:15												13:15		
13:30												13:30		
13:45	Erwin Moscher Honorary Lecture - Paris Auditorium												13:45	
14:00	Controversial issues in THA on the femoral side Hip Complex case discussion	Clinical Cases: Hand & Wrist Hand and wrist Clinical Cases	Clinical Cases: Paediatrics Paediatrics Clinical Cases	Hallux valgus Foot/ankle/leg Speciality Session EFAS	Modern indication for a high tibial osteotomy Sports / Knee soft-tissue Instructional Lecture	How to introduce new implants/ techniques General Orthopaedics / complications / basic science / technology Instructional Lecture	TKA - Technique related outcomes Knee osseous Free Paper Session	Ligament injury of the immature knee: Conservative and surgical treatments Sports / Knee soft-tissue Complex case discussion	Registration required	14:00				
14:15										14:15				
14:30										14:30				
14:45										14:45				
15:00										Break - Visit of the industry exhibition				
15:15	Break - Visit of the industry exhibition												15:15	
15:30	Metal-on-Metal: Still an option? Tribology Free Paper Session	Hip arthroscopy Hip Free Paper Session	Sine qua non / An Essential Element or Condition - Sports and OA Sports / Knee soft-tissue Speciality Session EFOST	Trauma and orthopaedics in conflict and post-conflict settings Polytrauma/Pelvis Symposium	Paediatrics hip disorders Paediatrics Free Paper Session	Tendons hindfoot Foot/ankle/leg Free Paper Session	Third world orthopaedics General education Symposium	Risk Factors in lower limb arthroplasty General Orthopaedics / complications / basic science / technology Free Paper Session	Unicompartmental knee Knee osseous Free Paper Session	Anterior cruciate ligament Sports / Knee soft-tissue Free Paper Session	Registration required	15:30		
15:45												15:45		
16:00												16:00		
16:15												16:15		
16:30												16:30		
16:45	BREAK												16:45	
17:00	BREAK												17:00	
17:15	Improvements of polyethylene - Have we reached the goal? Tribology Free Paper Session	Arthroplasty vs. Osteosynthesis after femoral neck fracture Hip Debate forum	Major pelvic and spine fractures Polytrauma/Pelvis Complex case discussion	Basic sciences Paediatrics Free Paper Session	Forefoot Foot/ankle/leg Free Paper Session	Pelvic fractures: Diagnostic challenges and functional outcome Polytrauma/Pelvis Free Paper Session	Challenges in fragility fractures Osteoporosis Free Paper Session	Meniscal lesion today: Evidence of treatment Sports / Knee soft-tissue Instructional Lecture	Knee ligaments Sports / Knee soft-tissue Free Paper Session	Registration required	17:15			
17:30											17:30			
17:45											17:45			
18:00											18:00
