

Wednesday 23 May

See Session details by clicking on the corresponding link (top/left corner)

Room	Stockholm	Hall 2	Hall 3	Hall 4/5	Hall 6	Hall 7	Hall 8	Hall 9	Hall 10	Sydney	Madrid	Istanbul	Oslo	Hongkong	Room
Hour															Hour
08:00															08:00
08:15															08:15
08:30															08:30
08:45															08:45
09:00			Hip arthroscopy	Biologic approaches to enhance fracture healing	DDH at different ages	Fractures around the shoulder	The future of orthopaedic Journals	Distal radius fracture	Anticoagulation and surgery (STF - International Surgical Thrombosis Forum)	Meniscus surgery: From repair to replacement	Outcome after knee replacement I	New topics in foot and ankle	Workshop: Writing for publication in nursing journals	Rotator cuff lesion: Diagnostic & treatment	09:00
09:15	Life threatening pelvic injuries? An update														09:15
09:30	ESPA - European Society of Pelvic and Acetabular Surgery														09:30
09:45															09:45
10:00															10:00
10:15															10:15
10:30	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK	10:30
10:45															10:45
11:00															11:00
11:15	Arthroscopic treatment of intraarticular fractures of the knee		Recementing in revision total hip replacement	Trauma upper limb I	SCFE - Slipped Capital Femoral Epiphysis	Polytrauma / pelvis I	Hip: Soft-tissue	Carpal disorders I	Sarcoma I	Knee ligaments	The patello-femoral joint	Treatment of metatarsalgia	Nurse oral presentations I	Fractures around the elbow	11:15
11:30															11:30
11:45															11:45
12:00															12:00
12:15	Benefits of New Oral Anticoagulants (NOAC's) in orthopaedic surgery: A multi-angle assessment	Secondary prevention of fragility fractures. I-Pod touch multimedia poster session & I-Pod touch case-based video presentation		More personalised approaches to knee and shoulder arthroplasty: Innovative solutions for early interventions							Overview of 35 years Oxford and current developments Oxford partial knee with Signature Personalised Patient Care	Management of bone healing challenges: Achieving more with osteobiologics Medtronic		Real solutions transforming real lives DePuy Orthopaedics	12:15
12:30															12:30
12:45															12:45
13:00															13:00
13:15															13:15
13:30	Innovation in plate osteosynthesis - biomechanics of plate osteosynthesis with implications for bone healing		Outcome of total hip replacement	Miscellaneous	Whats new in paediatric trauma?	Fractures around the knee	Revision in cruciate ligament reconstruction	Hand surgery in osteo-articular (O.A.) and rheuma diseases: What's new?	Total knee replacement: Design efforts	Short stems and Ceramic-on-Ceramic bearings	Outcome after knee replacement II	Ankle ligaments		Shoulder instability: The European approach	13:30
13:45															13:45
14:00															14:00
14:15															14:15
14:30															14:30
14:45															14:45
15:00	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK									15:00
15:15															15:15
15:30															15:30
15:45	Proximal humeral fractures		Hip: Implant impingement	Metal-on-Metal bearings I	New trends	Polytrauma / pelvis II		Carpal disorders II	Acute infection after osteosynthesis	Infection of the spine	Scores & tools for clinical outcome assessment FOS - European	Management of ankle osteoarthritis	ICON session: Advancing	Trauma upper limb II	15:45
16:00															16:00
16:15															16:15
16:30	BREAK	BREAK	BREAK	BREAK	BREAK	BREAK									16:30
16:45															16:45
17:00	Primary and secondary joint replacement after fractures: Proven principles and new options		The dysplastic hip in the young adults	Metal-on-Metal bearings II	Swollen joint in children	Knee dislocation		Soft-tissue disorders	Total knee replacement - miscellaneous	Europe on the move: Promoting active and healthy ageing	Stem cells therapy in orthopaedics	Hallux valgus and related issues		Rotator cuff tears	17:00
17:15															17:15
17:30															17:30
17:45															17:45
18:00	ARTOF - Association for														18:00
18:15															18:15
18:30	18.30 - 20.00 Opening Ceremony followed by a Welcome Reception														18:30
18:45															18:45

GENERAL OTHOPEAEDICS
 UPPER LIMB
 LOWER LIMB
 SPINE
 TRAUMA/ POLYTRAUMA
 PAEDIATRICS
