Time													Time					
09:00	Painful knee after TKA Knee osseous Symposium	Periprosthetic fractures in the lower limb Trauma lower limb Symposium	Posttraumatic and chronic conditions pelvis and acetabulum Polytrauma/Pelvis Speciality Session ESPA	Shoulder prosthetics Shoulder/elbow, arm/ forearm Free Paper Session	Distal radius fractures Hand and wrist Free Paper Session	Orthopaedic management in patients with haemophilia General Orthopaedics / complications / basic science / technology Symposium	What is the current sta- tus of Metal-on-Metal hip replacement Hip Speciality Session EORS	Preoperative evaluation and management of patients with osteo- oarthritis of the spine, hip and knee Spine (incl. trauma) Symposium	Technical aspects of Total Hip Arthroplasty in DDH Hip Symposium	Supracondylar fractures of the elbow in children: Still a challenging problem? Paediatrics Symposium	Status of the art: Lower limb reconstruction in orthopaedic oncology Bone and joint tumours Symposium	09:00						
09:15												09:15						
09:30												09:30						
09:45												09:45						
10:00												10:00						
10:15												10:15						
10:30												Break – Visit of the industry exhibition						Break – Visit of the industry exhibition
10:45													10:45					
11:00	Early OA in the knee from conservative to surgical treatment Knee osseous Instructional Lecture	Management of proximal tibial fractures Trauma lower limb Instructional Lecture	Clinical Cases: Trauma General education Clinical Cases	Fractures around the shoulder and elbow Shoulder/elbow, arm/forearm Complex case discussion	The forearm joint Hand and wrist Instructional Lecture	Clinical Cases: Basic sciences General Orthopaedics / complications / basic science / technology Clinical Cases	The evidence for medical treatment for tertiary pro- phylaxis of osteoporosis Osteoporosis Instructional Lecture	Conservative versus surgical treatment of thoracolumbar junction burst fractures Spine (incl. trauma) Debate forum	Treatment of early and late infection following THA Hip Instructional Lecture	Flexible flat foot in child- ren – to operate or not to operate? Paediatrics Debate forum	Tumour 1 Bone and joint tumours Free Paper Session	11:00						
11:15													11:15					
11:30													11:30					
11:45													11:45					
12:00	Opening & Award Ceremony – Paris Auditorium												12:00					
12:15													12:15					
12:30													12:30					
12:45													12:45					
13:00	Cement Session – Contem- porary revision techniques: Modern infection manage- ment in joint arthroplasty Hip Industry Symposium Biomet	Balancing evidence and innovation in THA Hip Industry Symposium Stryker		Periprosthetic fractures solutions – a result of 10 years NCB evolution Polytrauma/Pelvis Industry Symposium Zimmer GmbH	The osteoporotic tsuna- mi: Trends in geriatric fracture prevention and fixation Osteoporosis Industry Symposium DePuy Synthes Et Eli Lilly	Open tibia fractures: Reducing the frequency of revisions Trauma lower limb Industry Symposium Medtronic	Treatment of high energy injuries – Key priorities for intervention Trauma lower limb Industry Symposium Orthofix	Journey "Normal is exceptional" Sports / Knee soft-tissue Industry Symposium Smith & Nephew	DDH: Before walking age Paediatrics Interactive Expert Exchange				13:00					
13:15													13:15					
13:30													13:30					
13:45													13:45					
14:00	TKA – Perioperative considerations Knee osseous Free Paper Session	Injuries around the elbow Trauma upper limb Free Paper Session	Surgical treatment of pelvic fractures Polytrauma/Pelvis Instructional Lecture	Shoulder – Miscellaneous Shoulder/elbow, arm/ forearm Free Paper Session	Carpal tunnel syndrome Hand and wrist Free Paper Session	Osteoarthritis hip and knee General Orthopaedics / complications / basic science / technology Free Paper Session	Antimicrobial treatment in wounds Hip Speciality Session EWMA	Treatment of ageing spine Spine (incl. trauma) Instructional Lecture	Femoral neck vascularity and head necrosis Hip Free Paper Session	DDH: Residual deformities Paediatrics Interactive Expert Exchange	Surgical treatment of soft tissue sarcoma Bone and joint tumours Instructional Lecture	14:00						
14:15													14:15					
14:30	Break – Visit of the industry exhibition												14:30					
14:45													14:45					
15:00													15:00					
15:15													15:15					
15:30	Break – Visit of the industry exhibition												15:30					
15:45													15:45					
16:00	Osteotomies around the knee Knee osseous Free Paper Session	Humerus fractures Trauma upper limb Free Paper Session	Management of com- plications in proximal femoral fracture Trauma lower limb Symposium	The evidence of navigati- on in knee surgery General Orthopaedics / complications / basic science / technology Symposium	Distal radius fractures Hand and wrist Speciality Session FESSH/EWAS	FORTE session General education Speciality Session FORTE	Nurse session General education Nurse Session	Degenerative conditions Spine (incl. trauma) Free Paper Session	Hip arthroplasty: Tech- nique 1 Hip Free Paper Session	DDH: Residual deformities Paediatrics Interactive Expert Exchange		Prostheses and infection in arthritis patients Infection	16:00					
16:15												16:15						
16:30												16:30						
16:45												16:45						
17:00	BREAK												17:00					
17:15													17:15					
17:30	BREAK												17:30					
17:45													17:45					
18:00	UNI knee arthroplasty from primary to revision surgery Knee osseous Instructional Lecture	Classification and algorithm of treatment for proximal humeral fractures Trauma upper limb Instructional Lecture	Shoulder girdle / clip radius Trauma upper limb Free Paper Session	New trends in shoulder arthroplasty Shoulder/elbow, arm/forearm Instructional Lecture	Management of compli- cations of dislocations of the THA Spine (incl. trauma) Complex case discussion		Risk factors and treatment of dislocations of the THA Hip Instructional Lecture	Registration required		Tumour 2 Bone and joint tumours Free Paper Session	18:00							
18:15													18:15					
18:30													18:30					

Welcome Reception for delegates and registred accompanying persons – Paris Auditorium & Foyer B2
