Useful information

Arrival to Stockholm, on Sunday 18 May 2014

You may take any international or domestic flight to Stockholm (Arlanda or Bromma) airport. Arlanda airport is located 40 km and Bromma airport 10 km outside the city. From Arlanda airport, there are trains and busses to the city for approximately 260 SEK (train ride takes 20 minutes). You should get off at the central station, which is the final station. Then take a taxi or the subway from the central station to Clarion Hotel Stockholm. You can also take a taxi from the airport directly to the Hotel, which costs approximately 520 SEK. Since the taxi service is variable in pricing we suggest that you ask for Taxi Stockholm, Taxi Kurir or Taxi 020. No organised transportation will be available since the arrival times of each participant will be different.

Accommodation and meals

Accommodation will be arranged in single or shared double rooms. The hotels in each city will offer breakfast in the morning. Lunches and coffees will be organised at each hospital during the daytime.

The Swedish Orthopaedic Association (SOA) and the Organizing committee are offering you accommodation and evening dinners from from 19 May up to your departure from Gothenburg on 24 May.

Departure from Gothenburg on 24 May 2014

The departure from Gothenburg, 24 May 2014 must be organized by your selves.
