

Advanced Course In Total Hip Replacement
Orthopaedics/Pelvis, Hip & Femur
Friday 29 May
08:00 - 13:00 and 15:00 - 18:00

Title	Faculty member	Presentation
Which Prosthesis Is Best? 08:00 - 09:00	J. Epinette	Moderation
	V. Remes	Cemented Or Uncemented Prosthesis, What Is Best?
	C. Rogmark	Best Prostheses For Fractures
	L. Sedel	Primary THA In Acetabular Fracture
	H. Ettema	How To Avoid Bleeding And Thromboembolism?
	All	Discussion
How I Perform A THA? 09:00 - 09:50	J. Tabutin	Moderation
	W. Siebert	Cemented Twinsys Via Anterolateral Mini Approach
	JC. Rollier	Uncemented Corail Via Anterior Incision
	M. Wilson	Cemented Exeter Via Posterolateral Incision
	L. Zagra	Uncemented CLS Spotorno Via Posterolateral Mini Incision
	All	Discussion
Difficult Options 10:00 - 10:48	R. Cabral	Moderation
	R. Binazzi	THA In Case Of Dysplastic Deformities
	H. Gollwitzer	THA After Femoral Osteotomy And Failed Intertrochanteric Fracture
	G. Ullmark	Dislocation Of THA, Risk Factors And Treatment
	All	Discussion
Evidence Of Recent Innovations 11:18 - 12:06	S. Overgaard	Moderation
	S. Overgaard	How Should We Evaluate New Implant Designs In Primary THA?
	T. Ilchmann	Mini Incisions, Improvement Or Risk Project
	W. Siebert	Short Stems- Improvement Or Risk Project
	D. Mainard	New Bearings
Infection Considerations 12:06 - 13:00	C. Perka	Moderation
	H. Gollwitzer	What Is Relevant In Diagnostics Of Periprosthetic Infections?
	J. Cordero Ampuero	Prevention Of Infection
	T. Karachalios	Revision Of The Infected THA
	All	Discussion
Failure Or Success? What Matters? 15:00 - 16:15	F. Benazzo	Moderation
	KP. Günther	Indication And Patient Selection For Successful THA
	T. Karachalios	Revision Risks For Various Primaries
	M. Morlock	Surgical Traps, Biomechanical And Mismatch
	G. Macheras	Which Data's Is Important For Outcome?
	J. Epinette	Technical Success Factors
	All	Discussion
Revision THA 16:45 - 18:00	B. Atilla	Moderation
	KP. Günther	Acetabular Revision Using Uncemented Cup With Augment Options
	G. Ullmark	Acetabular Revision Using IBG And Cemented Cup
	AM. Tokgozoglul	Femoral Revision. Uncemented Options
	BW. Schreurs	Femoral Revision. Cemented Stem, With Or Without IBG
	E. Tsiridis	Periprosthetic Fractures
All	Discussion
