Robert Grimer, UK, *EMSOS past president*
Ágoston Szél, *Rector of the Semmelweis University*
Miklos Szendroi, *Semmelweis University, Hungary*
- 8.30-8.45 About EFORT Stephen Cannon, *EFORT past president*

Block 1. GENERAL CONSIDERATIONS

- 8.45-9.15 Epidemiology, staging of bone tumours
R. Grimer
- 9.15-9.45 Basic pathological considerations
M. Szendrői
- 9.45-10.15 Biopsy techniques
A. Leithner
- 10.15-10.30 Surgical margins
P. Ruggieri
- 10.30-10.45 Chemotherapy
Zs. Pápai
- 10.45-11.00 Radiotherapy
P. Ágoston

Block 2. TUMOUR-LIKE LESIONS AND BENIGN BONE TUMOURS

- 11.30-12.00 Tumour-like lesions (juvenile and aneurysmal bone cyst)
I. Antal
- 12.00-12.30 Leave me alone lesions (non-ossifying fibroma, fibrous dysplasia, eosinophilic granuloma, chondromas, myositis ossificans)
P. Ruggieri
- 12.30-13.00 Giant cell tumour of bone
M. Szendrői
- 13.00-13.30 Other benign bone tumours (osteoid osteoma osteoblastoma, enchondroma, chondroblastoma)
A. Leithner
- 13.30-14.00 Case presentations
Moderator: M. Szendrői

Block 3. Primary malignant bone sarcomas

- 15.00-15.30 Malignant bone forming tumours
R. Grimer
- 15.30-16.00 Malignant cartilage forming tumours
S. Cannon
- 16.00-16.30 Small round cell-tumours of bone
P. Ruggieri
- 16.30-17.00 Case presentations
Moderator: S. Cannon

Saturday – 3 Oct 2015

Block 4. SURGICAL TECHNIQUES

- 8.00-8.30 Reconstructions of the upper extremity
B. Lehner
- 8.30-9.00 Reconstructions of the lower limb
S. Cannon
- 9.00-9.30 Primary and metastatic bone tumours of the pelvis: surgical options
R. Grimer

Block 5. Tumours of the spine and sacrum

- 9.30-10.00 Primary malignant tumours of the vertebra and sacrum surgical options (lecture+video)
P.P.Varga
- 10.00-10.30 Metastatic tumours of the vertebra: indications for surgery versus chemo-, and radiotherapy
P.P.Varga + Zs. Pápai + P. Ágoston
- 10.30-11.00 Coffee Break

Block 6 METASTATIC BONE TUMOURS OF EXTREMITY

- 11.00-11.30 Epidemiology, clinical symptoms, imaging, diagnostic algorithm
A. Leithner
- 11.30-12.00 Differential diagnostic problems: how to treat traumatic and pathologic fractures?
B. Lehner
- 12.00-12.30 Prognostic factors, indications for radical surgery in metastatic bone diseases
M. Szendrői
- 12.30-13.00 Case presentations
Moderator: R. Grimer
- 13.00-13.10 Closing remarks

REGISTRATION FEES

- Special early registration fee **till 30 July** - 130 €
Early registration fee **till 1 Sept** - 150 €
Late registration fee **after 1 Sept** - 180 €
