Welcome from EFORT

Prof. Dr. Jan Verhaar
EFORT President 2016/17

Prof. Dr. Thierry Bégué
EFORT Chairman Science Committee

Dear Industry Partner,

The Executive Committee of EFORT are delighted to be returning to Vienna for the 18th EFORT Congress. We will occupy our now well established first week of June which means that the dates this year will fall on Wednesday 31 May to Friday 02 June 2017.

Every year the EFORT Congress has a connecting theme and this year the theme will be **sports activities and orthopaedic practice**. In our European societies with increasing numbers of elderly as well as obese persons, sports activities are important. Remaining active with orthopaedic conditions, returning to sports activities after non-operative or surgical treatment and treatment of sports-related conditions or injuries are important for all orthopaedic patients and their surgeons. Because this is such an important topic for general as well as specialised orthopaedic surgeons, this theme will be the binding link piecing together the different parts of the Vienna programme. Furthermore this year, we are delighted to also have the support of key sporting bodies.

As always, interaction is key and the EFORT Annual Congress format is designed to encourage, facilitate and maximise knowledge sharing and networking aspects that are fundamental to you our industry partners, the HCP's and ultimately Europe's patients. Faculty wise, EFORT has secured the leading, rising and/or definitive experts in their specific fields from all across the network of 80+ national associations, associate scientific and specialist societies that make EFORT unique. As the only Federation uniting all the main national associations of orthopaedics and trauma across Europe — we know that it is the quality of our scientific programme that is the most critical requirement to ensure delegate participation. Anticipated highlights of the congress are likely to include e-health applications in orthopaedic research, hip trauma and sport, less frequent shoulder sports injuries, treatment of chronic bone infection, shoulder instability management and functional outcomes after UKA and TKA.

Aside from the increasingly high standards of the scientific programme, the other key component in any successful congress remains that of the industry participation. Whether that participation is through exhibition, satellites, workshops, hospitality suites, supporting travel grants or marketing activities is entirely down to you as you need to fulfil your own objectives and goals. In this increasingly transparent, compliant and challenging world we recognise the time and investment that you make and we thank you for it. We are privileged to have your ongoing support and are constantly exploring how to best extend that support in even more scientific and educationally compliant ways by investing in other educational and learning opportunities outside the 3 days of the annual congress. Please contact our Business Development and Corporate Relations Manager Alan Cole for further details.

Time does not stand still, and as we seek to improve patient healthcare through more widespread and better communications and exchanges between orthopaedic and trauma HCP's and industry professionals, we are pleased to have identified several new concepts to facilitate these exchanges even more effectively. You will find these detailed on pages 10-15 and look forward to working with you on making these a success. All that remains for me to say is that, on behalf of the EFORT Leadership, Congress Committee and our staff and partners, we are pleased to invite you to Vienna so that you may benefit from participating in the EFORT Annual Congress.

We look forward to seeing you next May in Vienna for the 18th EFORT Congress in 2017.

A CITY OF RICH CULTURAL AND HISTORICAL HERITAGE

The Austrian capital is world-famous for its rich cultural and historical heritage that can be sampled in the 100 museums or just by strolling the streets of the old city centre that belongs to the UNESCO world cultural heritage.

Vienna is known as one of the music capitals of the world. There is no other city where so many famous composers have lived, and music tradition is kept alive in Vienna's famous opera house and concert halls. Modern musicals have replaced the old operetta, with two theatres devoted to this genre alone. Nowadays Vienna is also known as a modern art centre and a city with a very high quality of life. In addition to sites of historical interest the city offers fine examples of innovative architecture, fashionable shopping areas, and moreover samples of Viennese lifestyle in its traditional coffee houses, the Heurigen (wine taverns), trendy bars, sausage vendors and discos.

■ Headquarter City

Vienna is one of the 4 official seats of the United Nations and home to 15 UN organisations, OSZE and OPEC as well as 18 other international organisations. 200 international corporations have their Eastern European headquarters in Vienna (incl. JVC, Heineken, Henkel, Beiersdorf, Siemens) in addition to Austrian companies of global significance (e.g. Wienerberger AG, OMV). Every year, over 100 international companies open a branch office in Vienna.

■ Knowledge City

Over 34,000 people work in Vienna in the field of research and development, 43% of all research activities in Austria take place in Vienna. The city has 9 public universities, 5 advanced technical colleges and 6 private universities, with a population of over 160,000 students, the largest university city in the German-speaking region.

■ Diverse City

Formerly the capital of a multicultural and multilingual empire, Vienna has retained its international flair. 570,000 people of international origins from 198 countries live in Vienna, 200,000 from EU Member States. 49% of Viennese have a migrant background (either personally born outside of Austria or with at least one parent born elsewhere).

HISTORY OF EFORT CONGRESSES

Exhibition process

Send all Congress booking enquiries to alan.cole@efort.org

Companies are invited to take up a range of exhibition and sponsorship opportunities to promote brands and scientific projects. Whatever your key message – whether you are selling, promoting your company, establishing your corporate message, researching the market or introducing new products, – choose from a range of tailor made opportunities to meet your on-site objectives. Furthermore – if you have interest in repeating a successful congress service or activity that is not featured here – please draw it to our attention and if it can be accommodated then we will do so with pleasure. Contact alan.cole@efort.org.

COMERCIAL EXHIBITION RATES (exclusive of VAT)

CHF 760 per sqm

Floor space only

The smallest available commercial exhibition space is 9 sqm.

There are preferential rates for publishers, start-ups and NGO's/Member organisations of EFORT. Please contact sponsorship@efort.org for more details.

Any company only prepared to take 6 sqm may apply to do so and will be put on a waiting list. Subject to availability and floorplan design they will be informed no later than end March 2017 if a 6 sqm space is available, however, EFORT is under no obligation to provide such a 6 sqm space and thus participation cannot be guaranteed.

BOOTH ALLOCATION PROCESS

Step 1: Exhibition space can only be booked by completing, signing and returning the EXHIBITION SPACE APPLICATION FORM (page 20). Please note that rates do not include shell scheme or any other additional services.

Step 2: Once your booth space and booth number is confirmed by EFORT – only then should you order additional services such as electrical connections, construction crews and all other optional items. These must be ordered from MCI Berlin by using the SERVICE forms as detailed in the Exhibitor Technical Manual. The MCI Berlin/EFORT Exhibitor Technical Manual will be made available to confirmed exhibitors in due course (provisionally available online from Autumn 2016).

Confirmations: All completed Exhibition Space Application Forms received will be acknowledged from EFORT Head office via e-mail within 5 working days of receipt. These will be sent to the contact identified on the Exhibition Space Application Form.

IMPORTANT: Please note that once the official confirmation of exhibition space has been issued, any request for location change will be considered as a cancellation and new booking, and will therefore be subject to a penalty charge according to the contract cancellation policy.

Priority application deadline benefits: (see [full details online](#))

Maximise your presence by responding before the priority application deadline of 07 October 2016.

Secure a prime location for your company booth by indicating three preferred locations when you send in your completed and signed form. EFORT guarantees to allocate you one of your chosen 3 locations as long as we receive your application before 07 October 2016 (in exceptional circumstances should this not be possible, we will contact you directly and identify an alternative solution together). Completed [Exhibition Space Application Forms](#) submitted after 07 October 2016 will be allocated on a first-come first-served basis based on availability at the time of application.

To select your preferred booth space, please check the exhibition floor plan through the restricted area of the EFORT Vienna website. The code to access the "restricted section" of the website and the floorplan will be provided to you automatically or if in doubt please request it from sponsorship@efort.org.

It is in the interests of EFORT that you are satisfied with the booth allocation. Please note, however, that whilst we will strive to allocate the best booth space possible and take into consideration your positioning requests, EFORT cannot guarantee any preferences on neighbouring exhibition booths.

Shell Scheme packages: The cost per square meter does not include any shell scheme. Should you wish to additionally confirm a shell scheme package (lighting, fascia board, carpet, furniture etc.) – please complete the shell scheme package form in the Exhibitor Technical Manual. Please contact our MCI Berlin colleagues responsible for the on-site services for further information and costs.

Exhibition process

EXHIBITOR TECHNICAL MANUAL & SERVICE FORMS

Complete detailed technical exhibitor guidelines, forms for set-up and dismantling, equipment and materials, cleaning, hostesses, etc., will be available to download from the Exhibitor Technical Manual in due course. This document will be in the Restricted Section of the website and the password will be provided ONLY to registered exhibitors and sponsors so that they have access to it.

If for any reason you have not received your password to access the Restricted Section, please contact alan.cole@efort.org.

COMPANY INFORMATION

A short description of your company will be published on the EFORT Congress website in the Exhibitor Listing Database. Exhibitors are encouraged to post a short text (up to 100 words) profiling their company, with contact information, product range, new products launched during the congress, etc.

The company will be given a unique Database profile password by e-mail in order to enter the company profile into the online Exhibitor Listing Database. If for any reason you have not received your unique password for the Exhibitor Listing Database please contact alan.cole@efort.org.

ALCOHOL

Please also note that as per MEDTECH Code of practice guidelines no alcohol may be served within the venue including within the exhibition halls.

FREE EXHIBITOR REGISTRATION

Each company participating in the exhibition is automatically entitled to a number of free registration badges. These free registrations are for your staff manning your booth and are only valid for access to the exhibition. All company staff working on exhibition booths must wear exhibitor badges distinguishing them from those of EFORT delegates. Exhibition badges will feature the name of the company.

NOTE: It is strictly forbidden to use named exhibitor badges for anyone else – including guests or medical doctors. Failure to abide by this regulation can result in those concerned being expelled from the congress and a financial penalty may be imposed depending on the scale of the infringement.

sqm	No. of exhibitor badges
09 – 17 sqm	3 exhibitor badges
18 – 26 sqm	6 exhibitor badges
27 – 35 sqm	9 exhibitor badges
36 – 44 sqm	12 exhibitor badges
45 – 72 sqm	15 exhibitor badges + 2 full access badges
73 – 99 sqm	20 exhibitor badges + 4 full access badges
from 100 sqm	25 exhibitor badges + 6 full access badges

Note: Exhibitor badges do not permit access to the scientific lectures and programme with the exception of when it is the satellite or workshop organised by your own company.

Individuals in possession of an Exhibitor Badge have:

- access to exhibition and poster area during congress hours;
- access to exhibition during set up and dismantling;
- admission to the opening session on Wednesday 31 May 2017.

Additional exhibition badges are available through MCI Berlin at a reduced exhibitor fee of EUR 300. Each company may also purchase a maximum of 2 full access badges for their staff at EUR 500 each plus 20% Austrian VAT.

HOSPITALITY SUITES & PRIVATE MEETING ROOMS

A limited number of hospitality suites as well as meeting rooms have been set aside to book for the convenience of industry partners. Priority will be given to those companies that exhibit at the 18th EFORT Congress in Vienna.

Closed Industry Meetings

Closed Industry Meetings are permitted subject to respecting the following key criteria: such a meeting must not feature any form of promotion or advertising to congress delegates. Attendance is limited to the pre-determined size of the room and for company invited guests ONLY – each of which must be in possession of an EFORT issued registration badge. Any company or party found in breach of this or discovered to be running any form of satellite/ workshop or open delegate invitation meeting during the published congress dates and hours will be invoiced for the equivalent cost of a satellite session in addition to a financial penalty.

For more details and to complete the relevant application form, please see page 13.

Industry symposia

Submission deadlines:

Preliminary Satellite Programme for approval: 28 February 2017

Final Satellite Programme: 14 March 2017

These deadlines must be respected to ensure that your symposium will be included in the printed final programme.

RATES INCLUDE

- Rental of the meeting room
- Standard Audio Visual equipment
- AV technician / hall attendant
- Announcement in the advance online programme (as of 15 March 2017)
- Announcement of the satellite symposium in the final programme
- Promotion on site in designated EFORT approved areas

Please note that all supporting services such as audio-visual equipment, catering and additional personnel must be booked through our logistics support colleagues MCI Berlin.

VISIBILITY & PROMOTION

EFORT offer a registered delegate mailing service during April and May 2017 announcing industry symposia to all participants who have registered for Vienna to date. For more details, please see page xx or contact alan.cole@efort.org.

CATERING

The congress venue has an official caterer which will plan your meeting with regard to food and beverage requirements. Please contact MCI Berlin for quotations and booking.

As a general rule, no food may be served inside the meeting rooms

ASSIGNMENT

The final room assignment is the decision of EFORT who will strive to allocate the most appropriate room based on the information provided at the time of confirmation.

For Priority Application Benefits before 07 October for full details, please see pages 12-14 or on www.efort.org/priority-application-benefits.

Companies are offered the opportunity to organise commercially sponsored industry symposia within the framework of the 18th EFORT Annual Congress. All symposia must be held at the congress venue in the existing scientific session rooms used for the Congress. Seating will be theatre-style. The organisers reserve the right to assign the most appropriate and available room subject to availability and demand. Room allocations will be made on a first-come, first-served basis. All Industry satellite sessions have dedicated time slots over lunch time so as not to compete against the scientific programme and are thus integrated in the overall programme grid.

PROGRAMME AND SPEAKERS

The organisation of industry symposia and workshops are subject to approval by the Organising and Science Committee of the 18th EFORT Congress. A draft programme for each symposium, indicating title, speakers and titles of presentations should be submitted to the Scientific Committee for approval by no later than 28 February 2017. Before this date, please submit the content using the online Satellite Content form. Failure to respect the deadline risks your satellite not being approved and potentially withdrawn.

Approved industry satellite symposia programmes will be published in the final programme. Industry satellites are held at the responsibility of the sponsoring company. The congress registration fee, travel and accommodation for the symposium speakers, as well as any other expenses, must be paid by the company.

Sponsors are invited to choose from the following room and date slots:

Lunch symposia, total 1.5 hours on Wednesday 31 May, Thursday 01 June and Friday 02 June 2017.

**The indicated slots include set up and dismantling time. Additional services such as catering, should they be later booked via MCI Berlin, must also take place within the dedicated time*

MISCELLANEOUS

Educational Grants

Companies are invited to support and contribute toward the sharing of science during EFORT 2017 Vienna in the form of an unrestricted educational grant. Support the mission and objectives of EFORT as it seeks to unite the European orthopaedic and traumatology community in restoring and securing mobility, musculoskeletal health and quality of life for all our citizens. Supporters will be acknowledged both in print and electronic formats. Please note that 15% of the grant will be used toward administration costs.

Terms and conditions

General terms and conditions

LIABILITY – Liability of congress organisers

The congress organisers, and our appointed PCO, MCI Berlin, has secured liability insurance for the event which covers damage to property and personal injury. The exhibition area, including presentation rooms, is guarded or locked at night. However, this security measure excludes surveillance of individual stands and presentation materials. The night patrols/general lock-up at night that are/is carried out do/does not extend to liability for all damage to property or personal injury. The congress organisers and MCI Berlin are liable only for damage or loss resulting from malicious or gross negligence. A separate fire protection watch will be deployed, if required under local provisions.

Claims must be submitted to EFORT immediately. A claim becomes invalid if not recognised by the organisers and the exhibiting or presenting company does not pursue the matter before the courts within six months. The organisers accept no liability whatsoever for loss or damage resulting from disruptions caused by fluctuations in services rendered or force majeure, or for services being suspended on the instructions of the local public utilities or the local power supply company. The organisers cannot be held responsible for natural disasters (*for full details on liability, please consult the General Terms and Conditions*). The organisers are not liable, either during the event or during transportation, for loss, theft or damage in respect of exhibition and/or presentation items or personal belongings brought in. No further claims, such as for lost earnings, damages for consequential losses and similar, will be accepted.

PRICING POLICY

Prices in this sponsorship catalogue are calculated on market sector rates and previous EFORT congresses, taking into account both location and sector variances. The application is legally binding upon the sponsor, pending its acceptance in writing by the organiser and assumes that the sponsor has, read and accepted the General Terms and Conditions.

TERMS OF COLLABORATION

Full terms and conditions are available online at www.efort.org/vienna2017 and all products, services and pricing shown here in this brochure are subject to your acceptance of the Terms and Conditions. Please refer to these in the first instance for any queries you may have. Below, however, are some summary points of the key terms and conditions.

External industry activity

No ancillary events that may compete, detract or clash with the annual EFORT scientific and educational programme will be permitted during the congress days of 31 May 2017 to 02 June 2017 either inside or outside the congress venue, with the exception of official and approved industry symposia. Any external congress activity that may involve congress participants is subject to the approval of EFORT in writing. Activities are not to be scheduled during the following times: Wednesday 31 May 2017 to Friday 02 June 2017 08.00 – 18.30. Requests must be submitted in writing and will be decided on after consultation with EFORT. EFORT does not endorse exhibitor functions, and does not consider them part of the official programme.

CONFIRMATION OF EXHIBITION SPACE AND SPONSORSHIP APPLICATIONS

Written confirmation and subsequent invoicing by EFORT constitutes the sole document of acceptance and admittance to the exhibition, and is issued exclusively to the applicant, under the specific terms stated herein.

PAYMENT AND CANCELLATION POLICIES

For full details of the payment and cancellations terms please read the full [General terms and conditions online](#).

CANCELLATION POLICY

A sponsor may withdraw its application for an exhibition space activity or satellite activity in writing prior to 31 December 2016 and will receive a refund of 70% of the amount paid within 60 working days. The withdrawal of an application received after 31 December 2016 will not entitle the sponsor to any refund. *Please read the full Terms and Conditions online.*

Any cancellation fees will be invoiced inclusive of VAT, if applicable. No payment obligation exists if the company which has registered for exhibition space or other forms of presentation can prove that no loss has been incurred, or that any such loss amounts to less than the cancellation fee. If parts of the services which have been registered for are cancelled, then cancellation fees as mentioned above will be invoiced for the cancelled services. On-site cancellations do not by any means imply the dismantling of booth and other structures without the express written permission of EFORT.
