

EFORT Spring Travelling Fellowship

Ireland
From 12 to 17 June 2018

www.efort.org

Welcome to Ireland!

Dear Fellow,

The EFORT Travelling Fellowship Courses are organised by the National Orthopaedic Societies, member of the European Federation of National Associations of Orthopaedics and Traumatology.

The EFORT Travelling Fellowship of spring 2018 will be held in Ireland. It is open to surgeons from European countries selected by their National Association, in order to favour exchanges between the Travelling Fellows and the Orthopaedics of the inviting nation.

The scientific programme of this fellowship edition will be organised in two cities in Ireland:

- Dublin (12 – 13 June): Cappagh National Orthopaedic Hospital
- Belfast (13 – 14 June) Musgrave Park Hospital

Participants will also attend the Annual Meeting of our society, the Irish Orthopaedic Association (IOA) on 15 and 16 June 2018 (*venue tbc*).

We hope you will have a pleasant and interesting fellowship experience in Ireland.

On behalf of the organising Society IOA,

Mr. Gary O'Toole

Honorary Secretary of the Irish Orthopaedic Association
