SECTION 2. MEMBERSHIP

- ARTICLE 8.**
- a) The **Ordinary Members** of the Federation shall be the National Societies of orthopaedic surgery and musculoskeletal traumatology from European countries.
 - b) The National Societies from European countries, which do not wish to become ordinary members, may apply for **Observer Status**. An application for Observer Status must be approved by the General Assembly. National Societies with Observer Status may send one observer to the General Assembly. Observers shall have no voting rights. Except as otherwise determined by the General Assembly, the Observer Status is valid for two years only.
 - c) National Societies from countries outside of Europe may apply to become an **Associated Scientific Society**. Such application must be approved by the General Assembly. The president or another representative of the Associated Scientific Society may attend the General Assembly. Associated Scientific Societies shall have no voting rights.
- ARTICLE 9.** The National Societies listed in [Annex 1](#) shall become Ordinary Members of the Federation by filing a written declaration of membership with the EFORT Board.
- ARTICLE 10.** Application for Membership from other European National Societies must be addressed by the board of the applicant Society to the Secretary General of the Federation at least four months prior to the next meeting of the General Assembly. The General Assembly decides on accepting any delayed application.
- ARTICLE 11.** At the next meeting of the General Assembly after receipt of the application for Membership, the President shall put the application to the vote of the Delegates (see ARTICLES 16 ss.) of the General Assembly. A simple majority of the votes cast shall decide.
- ARTICLE 12.** Applicants for membership must meet the following conditions:
- a) The Society must devote itself to orthopaedics, orthopaedic surgery and musculoskeletal traumatology in general.
 - b) The applicant Society must be open to all orthopaedic or musculoskeletal surgeons from the country in which it is active.
- ARTICLE 13.** The individual members of the National Societies are not members of the Federation. The National Societies shall act in the interests of their individual members within the Federation.

ARTICLE 14. Membership in the Federation of a National Society may be terminated:

- a) By resignation in writing addressed to the Secretary General of the Federation.
- b) Upon exclusion by resolution of the General Assembly following a vote in favour of a proposal for exclusion put by the EFORT Board. For this purpose the quorum shall be two thirds of the Delegates and a deciding majority shall be two thirds of the votes cast. The proposal must be published at least 4 months in advance of the meeting of the General Assembly at which the resolution is to be taken. The EFORT Board may make a proposal for exclusion either on its own volition or upon request for such a proposal from at least one third of the Ordinary Members.
- c) The Membership shall be suspended at the discretion of the EFORT Board if the Society has not paid its dues after two requests for payment, separated by six months. The membership suspension shall only stand if it is subsequently approved by the General Assembly. The suspension can be revoked by the General Assembly if the Member has fully paid its dues.

ARTICLE 15. RIGHTS OF ORDINARY MEMBERS

The Ordinary Members exert their membership rights during the General Assembly through their Delegates.

The Delegates shall use their voting rights during the General Assembly according to their best knowledge and conscience. They shall act in the interest of the Ordinary Member they represent.

Each Ordinary Member has the right to bring motions, questions, proposals or complaints to the EFORT Board through its Delegates, by direct address to the President. Each Ordinary Member may ask for information concerning the business of the Federation at any time.

SECTION 3. BODIES OF THE FEDERATION

The Federation shall be administered by two Bodies:

- The General Assembly; and
- The EFORT Board.

THE GENERAL ASSEMBLY

COMPOSITION

ARTICLE 16. The General Assembly shall be composed of the Delegates.

ARTICLE 17. The Delegates shall be designated by each National Society being Ordinary Member of the Federation (see ARTICLE 19). At least one Delegate should be a member of the executive board of the National Society.

ARTICLE 18. Delegates shall take office on the first day of January following their designation and written notice by the relevant National Society to the President of the EFORT Board.

ARTICLE 19. There shall be only two Delegates from each country. If there are two Ordinary Members from a participating country, the Ordinary Members shall each have one Delegate. If there are more than two Ordinary Members from one participating country, each Ordinary Member shall designate one Delegate. Two Delegates shall then be chosen by and amongst the Ordinary Members in a rotating system.

ARTICLE 20. If a Delegate is unable to attend, he or she may transfer his or her right to vote to the other national Delegate, or to another person who has been designated by his or her National Society, with the consent of the prevented Delegate, as Delegate for this specific purpose (but see ARTICLE 49). In case of vote for modifications of the Statutes (ARTICLE 34), the vote may only be transferred to the other Delegate of the same country.

ARTICLE 21. The Delegates shall be appointed for two years, renewable twice.

MEETINGS

ARTICLE 22. Annual Meetings. The General Assembly shall meet each year. Meetings shall be convened by the EFORT Board by written notice to all Ordinary Members of the Federation, which shall establish the date and place at least three months prior to the meeting. If a modification to the Statutes is put on the agenda, a written draft

of the respective modifications shall be distributed to all Ordinary Members of the Federation at least six weeks prior to the meeting.

- ARTICLE 23.** a) Extraordinary meetings. Extraordinary meetings can be convened by the President or at the request of three Ordinary Members of the Federation at any time after giving three months' notice of the date, place and agenda to all Ordinary Members of the Federation. If a modification to the Statutes is put on the agenda, a written draft of the respective modifications shall be distributed to all Ordinary Members of the Federation at least six weeks prior to the extraordinary meeting.
- b) Written resolution of the General Assembly. In urgent matters, the EFORT Board may arrange for a written resolution by all Delegates of the General Assembly (in Swiss legal terms called *Urabstimmung*). For any such resolution, all Delegates must express their consent, dissent or abstention from voting in writing and a resolution may only be passed by a qualified majority of three quarters (75%) of the votes cast.

FUNCTIONS

- ARTICLE 24.** The General Assembly decides in all matters of the Federation unless such matters are transferred to the EFORT Board or to committees. The General Assembly is therefore the highest authority within the Federation.
- ARTICLE 25.** The General Assembly shall ensure that the aims of the Federation are implemented.
- ARTICLE 26.** The General Assembly shall elect the members of the EFORT Board.
- ARTICLE 27.** The General Assembly shall receive through the Secretary General, and then approve or reject the Annual Report of the EFORT Board.
- ARTICLE 28.** The General Assembly shall receive and process applications from National Societies for membership of, and applications of the EFORT Board for exclusion from the Federation (see ARTICLES 10, 11, 12, and 14).
- ARTICLE 29.** The General Assembly shall determine the country of legal domicile of the Federation (see ARTICLES 2 and 62).
- ARTICLE 30.** The General Assembly shall have the power to set up Standing Committees and to transfer to them specific functions. The EFORT Board shall determine their composition and functions in the Organisational Regulations (see ARTICLE 37).

- ARTICLE 31.** The General Assembly shall determine the Annual Dues.
- ARTICLE 32.** The EFORT Board shall determine the venue of the Congresses of the Federation and inform the General Assembly thereof. Ordinary Members may file applications with the EFORT Board to hold a Congress, which applications shall be duly considered and evaluated by the EFORT Board.
- ARTICLE 33.** The General Assembly shall have the power to take decisions necessitated by emergencies not foreseen in the Statutes.
- ARTICLE 34.** The General Assembly shall have the power to change the Statutes. For this purpose, at least two thirds of the Delegates of the Federation's Ordinary Members (see ARTICLE 16 ss.) must be present or represented (see ARTICLE 20, second sentence) at the General Assembly (quorum) and a deciding vote shall be a two-thirds majority of the votes cast (qualified majority).
Notwithstanding the foregoing, in the event the quorum for amendment of the Statutes is not reached, the General Assembly shall be entitled to resolve on the amendment of the Statutes if the Delegates present or represented at the General Assembly were produced by National Societies that in the aggregate present more than two thirds of all domestic members of the National Societies that pay dues to the respective National Society.
- ARTICLE 35.** For all purposes other than those referred to in ARTICLES 7, 14 and 34, a deciding vote shall be a simple majority of the votes cast at a properly convened meeting of the General Assembly. Each Delegate holds one vote, subject to ARTICLE 20.
- ARTICLE 36.** The decisions of the General Assembly are to be put into the minutes of the meeting, which shall state the voting results signed by the Secretary General.

THE EFORT BOARD

COMPOSITION:

- ARTICLE 37.** The EFORT Board shall be composed of 10 Members as follows:

The President

ARTICLE 40. The 1st Vice President shall deputise for the President if the latter is unable to exercise his or her function. In this case he shall have all the rights and powers of the President.

ARTICLE 41. The 1st Vice President shall become the President at the end of the latter's term of office, and the 2nd Vice-President shall become 1st Vice-President at the end of the latter's term of office, unless alternative names are proposed by both Delegates from one member country and seconded by both Delegates from two other member countries. The General Assembly shall then vote as described in ARTICLES 48, 49 and 50.

ARTICLE 42. The Secretary General and the Treasurer shall be elected for a two-year period renewable twice. Their terms of office shall be arranged in a manner so that they are one year out of phase with each other.

ARTICLE 43. The three Members at Large shall be elected for two years renewable once. The Young Member at Large shall be elected for two years non-renewable. The term of office of one of the three Members at Large and the term of office of the Young Member at Large shall start one year later than the terms of office of the other two Members at Large, so that the terms of office will remain out of phase.

ARTICLE 67. A quorum is established if a simple majority of the members of the EFORT Board is present.

The President, the 1st Vice President, the 2nd Vice President, the Immediate Past President, the Secretary General, the Treasurer, the three Members at Large and the Young Member at Large shall each have one vote.
