# Welcome

Ulrich Stöckle

Dieter Christian Wirtz

Önder Aydingöz

Dear Colleagues,

The treatment of periprosthetic fractures is a challenge with increasing incidence.

With decreased bone quality and numerous comorbidities of the patient the main question is, if the fracture can be fixed with an osteosynthesis or if the implant needs to be revised with respect to the stability of the implant.

Within this EFORT ExMex we want exchange experiences in the treatment of periprosthetic fractures in different body areas from expert to expert in an open, interactive atmosphere.

Well known International and National Orthopedic and Trauma faculty will present "state of the art" lectures regarding the treatment algorithm of the most common fracture entities. Within case discussions participants and faculty can discuss different treatment options and in hands-on workshops special implants for the treatment of periprosthetic fractures can be trained.

We cordially invite you to participate within this unique format and hope to see you in Tübingen in September

Yours,

Dieter Wirtz

Chairman  
ExMex Tübingen

Ulrich Stöckle

Education Group

Önder Aydingöz

EFORT President  
2017-2018

# Programme

Thursday, 27 September

Schedule	Topic	Faculty
7:45	Registration	
8:45	Welcome	U. Stöckle / D. Wirtz
9:00	About EFORT	U. Stöckle

## Introduction

Moderators: Norbert Haas & Dieter Wirtz

9:15	Periprosthetic fractures: generic classification system	N. Haas
9:40	Periprosthetic acetabular fractures: what to do?	U. Stöckle
10:00	Coffee break	

## Periprosthetic femur fractures

Moderators: Ulrich Stöckle & Miguel Marta

10:15	Vancouver A	M. Marta
10:30	Vancouver B1	J. C. Bel
10:45	Vancouver B2 and B3	D. Wirtz
11:00	Vancouver C	M. Schultz Larsen
11:15	Case presentations & Discussion	M. Marta & Regional faculty
12:00	Workshops & Discussions groups	
13:00	Lunch break	

# Programme

Thursday, 27 September

Schedule	Topic	Faculty
<b>Periprosthetic fractures around the knee</b>		
Moderators: Matej Cimerman & Christian Candrian		
14:00	Rorabeck I and II	J. M. Muñoz Vives
14:15	Rorabeck III	D. Wirtz
14:30	Patella-fractures	M. Wagner
14:45	Case presentations	C. Candrian & Regional faculty
15:15	Coffee break	
15:45	Workshops & Discussions groups	
<b>Special lecture</b>		
16:45	Periprosthetic fractures – what I have learned within the last 25 years	N. Haas
17:30	End of the day	
20:00	Course Dinner	

# Programme

Friday, 28 September

Schedule	Topic	Faculty
<b>Periprosthetic fractures around the humerus, elbow &amp; tibia</b>		
Moderators: Miguel Marta & Ulrich Stöckle		
9:00	Periprosthetic humerus fractures	N. Haas
9:15	Periprosthetic fractures around the elbow	C. Candrian
9:30	Periprosthetic tibia fractures	S. Ruchholtz
9:45	Case presentations	U. Stöckle & Regional faculty
10:15	Coffee break	
10:30	Workshops & Discussions groups	
<b>Infections and special cases</b>		
Moderators: Morton Schultz Larsen & Dieter Wirtz		
11:30	Interprosthetic fractures	W. Lehmann
11:45	Periprosthetic fractures and infection	U. Stöckle
12:00	Peri-implant fractures	M. Marta
12:15	Rehabilitation after periprosthetic fractures – is there a common rule?	A. Schreiner
12:30	Case presentations	M. Schultz Larsen & Regional faculty
13:15	Summary and farewell	U. Stöckle
13:30	End of the Course	

# Faculty

## Faculty

### Scientific Organisation

Ulrich Stöckle, Germany  
Dieter Wirtz, Germany

### International Faculty

Jean-Christophe Bel, France  
Christian Candrian, Switzerland  
Matej Cimerman, Slovenia  
Norbert P. Haas, Germany  
Miguel Marta, Portugal  
Josep Maria Muñoz Vives, Andorra  
Morten Schultz Larsen, Denmark

### Regional Faculty (Germany)

Wolfgang Lehmann, Göttingen  
Steffen Ruchholtz, Marburg  
Anna Schreiner, Tübingen  
Michael Wagner, Chemnitz

## Course fees

### Early bird registration

EUR 315.00

### Late registration (as of 13 Sept.)

EUR 365.00

### On-site registration

EUR 385.00

### Residents in training

EUR 205.00

### Dinner

EUR 50.00
