

EFORT Webinar Special Edition 2

Monday 11 May 2020 | 19:00–20:30 CET

CO-EXISTING WITH COVID-19 ELECTIVE ORTHOPAEDIC SURGERY: WHEN & HOW?

 #EOTEP

EFORT Webinar Special Edition 2

'Co-existing with COVID-19 – Elective Orthopaedic Surgery: when and how?'

Monday 11 May 2020 | 19:00-20:30 Central European Summer Time

Organizers: Luigi Zagra (Italy) & Enrique Gómez Barrena (Spain)

Chair: Sam Oussedik (United Kingdom)

This webinar will address the following topics:

- **Introduction**
Sam Oussedik | United Kingdom | 2 min
- **Patient Prioritisation**
Francesco Benazzo | Italy | 8 min
- **Enhancing Patient Safety**
Jean-Noel Argenson | France | 8 min
- **Enhancing Staff Safety**
Klaus-Peter Günther | Germany | 8 min
- **How Must We Amend Our Post-Operative Regimes?**
Martin Thaler | Austria | 8 min
- **Reinstating Out-Patient Services**
Antonio Cartucho | Portugal | 8 min
- **Discussion, Questions & Answers** | All Speakers & Participants | 30 min

Learning objectives:

- How to safely organize the activity: outpatients, departments, OR, patients' journey, the staff.
- How do we prioritise patients when reinstating surgery in a stepwise manner: the easy or the more complex patient, the easy or the complex cases, the ones that are complex patients and cases, but cannot wait anymore?
- The value of screening tests: optimising timing pre and post-operatively
- Current PPE and safety protocols for the staff

This Webinar is organised by the EFORT Orthopaedic Education Group.
