---

#### Learning objectives:

This Webinar “**Extra-Articular Proximal Third Tibia Fractures: A Scientific Debate**” will deal with the different and possible indications for this kind of fractures, comparing the point of views of a very much experienced faculty.

The objectives of the Webinar are:

- Identifying possible treatment options for extra-articular Proximal Tibia Fractures
- Explaining the different rationale for the usage of external fixation vs internal fixation
- Understanding the Pros and Cons of each technique, with a scientific debate held by the Faculty Experts

*This Webinar is organised with the support of Orthofix in collaboration with EFORT and hosted by M-Events.*
