<i>Ulrich Stöckle, Germany & Ingo Marzi, Germany</i> |

Learning Objectives:

This EFORT Educational Webinar will focus on Floating Hip Injuries. The objectives of this Webinar are:

- To better understanding the pathology of a “floating-hip” injury
- To learn more about appropriate diagnostics and treatment principles
- To Identify specific treatment scenarios and to know how to evaluate treatment results

This Webinar is organised by EFORT independent of any commercial educational support and hosted by M-Events.
