Learning Objectives:

This EFORT Educational Webinar will focus on the use of bone cement in orthopaedics. The objectives of this Webinar are:

- Understand the history and composition of bone cement
- Gain an understanding of the current trends and outcomes of cement use in hip and knee arthroplasty
- Identify the role of antibiotics and other additives in bone cement

This Webinar is organised by EFORT independent of any commercial educational support and hosted by M-Events.

CME | This EFORT Webinar on "**Cement Revisited**" to take place on 25 September 2023 at 19:00 CET has been **accredited by the European Accreditation Council for Continuing Medical Education (EACCME) with 1 European CME credit (ECMEC)**. Please visit our [website](#) for more information.
