19:27-19:35	Treatment Different from Dual Mobility for THA Instability <i>Luigi Zagra, Galeazzi-Sant’Ambrogio Research Hospital, Milan, Italy</i>
19:35-19:55	Questions & Answers All
19:55-20:00	Final Remarks <i>José Cordero-Ampuero, La Princesa University Hospital, Madrid, Spain</i>

Learning Objectives:

This EFORT Educational Webinar will focus on dislocation in total hip arthroplasty. The objectives of this Webinar are:

- Identify risk factors for instability and prevent it during primary hip arthroplasty
- Understand the imaging and how to plan a revision
- Be aware of the available solutions for revision surgeries

This Webinar is organised by EFORT independent of any commercial educational support.
